

Model DD30
30" Downdraft Ventilation System

The cooktop downdraft unit rises from the countertop to whisk away odors and smoke into the easy-to-clean, five-layer mesh filter. For ease in matching your cooktop, the remote-mounted control module and top cover are available in classic, platinum or carbon stainless steel finish. (I) models include an internal blower. In-line and remote blower options are available for (R) models.

Model DD30 shown in classic stainless steel trim finish. Also shown is Model IM15/S multi-function cooktop and Model CT15G/S gas cooktop.
